For Immediate Release

May 8, 2007

Groundbreaking Ceremony for New San Jose Fire Stations #12 & #17

The men and women of the San Jose Fire Department warmly welcome you to join civic and community leaders, including San Jose Mayor Chuck Reed, City Council Members, representatives from the City Manager's office, Fire Chief Darryl Von Raesfeld and other invited guests to a groundbreaking ceremony for City of San Jose Fire Stations #12 and #17.

Who: Mayor Chuck Reed
City Council Members
Fire Chief Darryl Von Raesfeld
City Manager Representative
When: Friday, May 11, 2007
Where: Intersection of Calero Ave at Cahalan Ave
San Jose, CA. 95119
Time: 2:00 PM – 3:00 PM

In March 2002, San Jose voters passed the Neighborhood Security Bond Act that approved the issuance of \$159 million in General Obligation bonds to fund the construction of 36 public safety facilities.

Fire Stations #12 & #17 are two of the stations being relocated as part of the public safety bond program to improve service delivery.

Fire Station #12 is being relocated from 502 Calero Ave to 5912 Cahalan Dr.
Fire Station #17 is being relocated from 1494 Ridgewood Dr to 5170 Coniston Way.
The existing stations will remain in service until the new stations are completed.

(More)

San José Fire Department * 170 W. San Carlos Street * San Jose, California 95113

Both Station #12 and #17 will be approximately 6,400 square feet, two-story, contain two apparatus bays, and house one Fire Company.

Total construction cost for both stations: \$6.8 million

Projected Completion Date: August, 2008

Station #12 Architect: Don Dommer Associates

Station #17 Architect: Banducci Associates Architects

Both Station #12 & # 17 Contractor: D.L. Falk Construction Company
